Constitution, Scheduled Castes and Scheduled Tribes are specified in relation to each State/Union Territory separately. They are entitled to get benefits of the State/Union Territory of their origin and not from the State/Union Territory to which they have migrated. In so far as benefits of Central Government are concerned, all Scheduled Castes/Scheduled Tribes are treated alike irrespective of the State/Union Territory to which they belong.

"In the 1991 Census, Question No. 9 in the census question-aire of the individual slip relates to whether the person enumerated belongs to Scheduled Caste or Scheduled Tribe. If the answer to question No. 9 is "Yes" then the name os the Scheduled Caste/ Scheduled Tribe to which a person belongs has to be written in question No.10.

If a person who says that he belongs to a Scheduled Tribe and tribes his tribe's name while answering question 10, the enumerator has been instructed to check whether the name of that tribe appears in the list of Scheduled Tribes pertaining to the State/ Union Territory of enumeration. In the case of Union Territory of Delhi there is no list of Scheduled Tribes and hence nobody could return himself or her-self as a Scheduled Tribe in Delhi Union Territory."

World Bank Assistance for pollution control

6283. SHRI GOPI NATH GAJAPATHI: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether the Government had sought World Bank assistance for financing the industrial units in the country to take up pollution control measures;

(b) if so, the amount of World Bank assistance sought; and

(c) the amount expected to be obtained from the World Bank to control pollution by industrial units?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI KAMAL NATH): (a) to (c). The Government of India has entered into an agreement with the World Bank for a line of credit of about $ 155 million, for a project on Industrial Pollution control. This includes a component for provision of loans to large and medium scale industrial units in eight selected sectors for setting up and upgradation of treatment systems.The Project also includes proviion of loans for the setting up on Common Effluent Treatment Plants for clusters of Industrial units.
